## NOTICE TO ALL PILOTS

- **AERODROME LOG BOOK**

Pilots are reminded that upon arrival at or departure from Sauerdale Airfield, they must complete **ALL** the mandatory information in the aerodrome log book. Log book entries will be checked for pilot compliance.

**Please note:**

**This is a Civil Aviation Authority of Zimbabwe compliance requirement for CAT III private aerodromes.**

- **RADIO ROOM**

Please ensure that the radio set is switched off after use and that the radio room door is properly closed and locked when exiting.

- **AIRCRAFT PARKING AREA**

Aircraft must be parked in the aircraft parking area. Pilots are responsible for ensuring that their aircraft are properly chocked and tied down in this area.

Best regards
